Sounds good on the surface. I look forward to learning more about it.

Hi Gina and Deb.

I just wanted to give you a heads up that Larry Zaragoza or Shahid Mahmud will be calling to

Deliberative Process/Ex. 5

Could you please send Larry and Shahid a blank support request to fill out? (I can't find the current CPRS file in the share directory).

If you are free today, I can check Larry's availability and set up a quick call. However, I'll be out tomorrow and Friday and then again after next Tuesday. Tina is currently out of the office through next week. Thus it's likely that Larry and Shahid will be setting up support directly with you and without Tina or my assistance.

Larry and Shahid.

Attached for reference is an example of a directive under the Conflict Prevention and Resolution Services (CPRS) contract.

Thanks,

Freya
